NOTIFICATION UNDER 37 CFR § 1.28(b)
AND FEE PAYMENT UNDER 37 CFR § 1.28(c)

Applicant request that the status of the above-referenced patent application as a small entity be changed to a large entity. Due to an inadvertent error, an earlier notification was not made. The following item was paid as a small entity:

Petition for extension of time fee of \$60.00 (February 6, 2006).

Please note that the small entity status was established in good faith, and the above fee was originally paid as a small entity in good faith. Since this item should have been paid as a large entity, please charge \$60.00 to Deposit Account No. 06-1050, to cover the difference between the large entity fee due and the small entity fee paid for the above item. In addition, please apply any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: August 21, 2006
